

The Duties of the Chairman

The Chairman presides over all full Council Meetings, including the Annual Council Meeting.

He will also attend as many meetings of Committees as possible, civic duties permitting.

Throughout the year the Chairman will attend the main civic events such as Remembrance Service, Council Carol Service, annual Civic Dinner etc.

The greatest number of other engagements in the Civic Diary result from approaches by outside groups or individuals inviting the Chairman to attend events. These can be as diverse as 100th birthday celebrations, formal dinners, awards ceremonies, village fetes etc.

Other miscellaneous duties may include hosting civic guests, foreign visitors, school parties, and other visitors to the Council.

The Chairman may also choose to raise money for charity through fundraising events.
