

The easy and tidy way to collect food waste

# Compostable Liners

Residents can use approved compostable liners in their green kitchen caddies and compostables bin.

Residents living in flats will receive an initial supply of 52 free compostable liners. When you run out you will need to buy your own compostable liners.

Please **ONLY** use bags which display the compostable logo. No other bags will be accepted. Do not use biodegradable, degradable or plastic bags

## Approved compostable liners are available from:
