About this form

This form may seem long, but every question is important. Each section starts with a question to help you decide if you need to fill in that section.

Second Adult Reduction

Second Adult Reduction is only available to people who are State Pension Credit age who share their home with some who:

- is not their partner;
- is 18 or over
- is on a low income; and
- does not pay them rent;

If you are claiming Second Adult Reduction, only fill section A on page 4, section C on page 7 and section R on page 26 of this form.

Proof

We need to see proof of some of the things you tell us about. There is a checklist at the end of this form to help you.

We cannot pay Council Tax Support until we have seen the proof we have asked for. You can send your documents by email to **revenues&benefits@rochford.gov.uk**

Filling in the form

If you are filling in this form by hand, use black ink. Do not use pencil. If you make a mistake, just put a line through it and write the correct answer next to it. Do not use correction fluid or tape.

Answer 'Yes' or 'No' questions by putting a tick in the relevant box. If you are picking one answer from a list of answers, put a tick in the relevant box.

If someone else fills in this form for you, they must fill in section S on page 26.

What to do next

When you have filled in this form, sign it and send it to us with the proof we need to see.

Even if you cannot get the proof straightaway, **you should still send this form to us as soon as you have filled it in**. If you do not send this form to us straightaway, you might lose money. If you cannot get the proof within two or three weeks, let us know – we may be able to help you.

Changes you must tell us about

Tell us straightaway if:

- any of your children leave school or leave home;
- anyone moves into or out of your home, including lodgers and boarders;

Notes for filling in this form (continued)

- your income (including benefits) or the income of anyone living with you, changes;
- the amount of your savings or investments (for example, ISAs or shares) changes;
- you or anyone living with you becomes a student, starts an apprenticeship, goes into hospital or a nursing home, or goes into prison;
- you or anyone living with you starts work, gets a pay rise or leaves a job;
- you move;
- you or your partner are going to be away from home, for any length of time;
- you get any decision from the Home Office about your right to stay in the UK; or
- you have any other changes that you think we should know about.

You must tell us about any changes straightaway. You can tell us by phone or email at revenues&benefits@rochford.gov.uk, but we may ask you to write to us to confirm the change.

If you do not tell us about these changes, you may lose money you are entitled to or you may get too much Council Tax Support.

You must tell Revenues and Benefits about these changes. Telling another council department, or relying on another agency to tell us, is not enough.

Failure to tell us within 21 days of any change that could affect your Council Tax Support could lead to a penalty of £70 or a prosecution.

It is an offence to not tell us about any change of circumstances that might affect your Council Tax Support. We may take court action against you if you keep information from us. If we pay you too much Council Tax Support, you will have to pay it back.

How we collect and use your information

We will use the information you give in this form, and any proof you send us, to process your claim for Council Tax Support.

We may give your information to other organisations such as the Department for Work and Pensions and HM Revenue & Customs, but only if the law allows us to.

We may check the information you or someone else provides. We may also exchange information about you with other organisations, to:

- make sure the information you have given is correct; and
- prevent or detect crime.

The other organisations we may exchange information with include government departments, local authorities and, in certain circumstances, private-sector companies such as banks and organisations that may lend you money.

We will not give information about you to anyone else, or use the information about you for other purposes, unless the law allows us to, in line with Data Protection legislation.

If you want to know more about the information we have about you, or the way we use that information, please phone us on 01702 318197 or 01702 318198, or email us at **revenues&benefits@rochford.gov.uk**
