**Essential Matters of Conversation**

Caller asked for an update on the case - wanted to know what had been done on the site; <sup>formal</sup> action taken to date and timescales for the ~~unauthorised~~ <sup>unauthorised</sup> development use to stop.

I advised that site meeting between owner, agent and RDC officer had taken place and no applications have been made to RDC but officer is already looking into the background details to pin down when the occupation of the site started to consider if we are within 10 yrs or not. From what I could see we are within the time limits and officer is on the case. There has been a delay owing to
