### Essential Matters of Conversation

A lady rang, refused to leave contact details and was aware that council cases will not be investigated. She said she just wanted someone to look in on the site.

She says the site was previously investigated - 18 months to 2yrs ago there was a raid involving the police & RDC. She says the site is still owned by the same person who has resorted to criminal activities on the site and has also erected a chalet type building with a PP and there is a couple living there. She has reported the criminal matters to the police.

\* She says RDC investigated vehicle/tyre storage, car running @ odd hours.
