

Email from Mr G Short

Dear Lissa Higby

Thank you for your letter dated 14 June 2010, informing me the Inspector is seeking the views of the Council and respondents regarding the changes to Government policy. I submit the following views.

I first objected to Rochford Core Strategy in September 2009, and my views have been strengthened with the new Governments stance.

Eric Pickles letter, the letter from the Planning Inspectorate to it's Inspector's and the Ministerial Statement made on the 9th June 2010 regarding excluding building on residential gardens, which makes the David Wilson Homes appeal at the South Hawkwell location at Rectory Road/Thorpe Road now illegal as private gardens were part of the development.

Yours Sincerely

George Edward Short
