14 July 2010

Ms Lissa Higby
Rochford District Council South Street
Rochford, Essex
SS4 1BW

Dear Ms Higby

Rochford Core Strategy Examination

In response to your letter dated 14 June 2010 regarding the change in government policy to planning and housing, the following resolution was passed by this Council on Monday 12 July 2010 and it would be appreciated if you could forward this to the Planning Inspector.

“Hullbridge Parish Council requests the housing targets be reviewed in line with the revocation of the regional strategy and the proposed housing removed from within the green belt of Hullbridge. It further requests that other areas within Hullbridge be considered for new housing in consultation with the residents and in conjunction with a housing needs study”.

The Members have requested that a representative from the Council should be allowed to make a verbal representation to the Inspector at the forthcoming hearing in September 2010.

Please acknowledge receipt of this letter via e-mail and confirm that the Council’s verbal representation will be allowed.

Yours sincerely

Linda Cowan
Clerk to the Council
