Dear Mr Smith,

Re: Modifications to the Development Management Document

Following receipt of your interim report on the Development Management Document, a schedule of modifications to the Submission Document was prepared and agreed by the Portfolio Holder for Planning on 16 July 2014, where it was resolved:

- That the proposed Schedule of Modifications to the Development Management Submission Document (April 2013) be approved for consultation as part of the examination process.
- That, following this consultation, the representations received be sent to you to be considered when finalising your report on the soundness of the Plan.

Consultation on the schedule of modifications has now finished and the responses have been sent to you for your consideration.

As you are aware, the Localism Act amends the Planning and Compulsory Purchase Act (2004) such that Authorities must request that Inspectors appointed to examine a Plan recommend main modifications to the Plan. In accordance with Section 20(7C) of the Planning and Compulsory Purchase Act 2004 (as amended), the Council requests that you recommend modifications to the submitted document to ensure that it satisfies the requirements of the Act, and is sound.

Yours sincerely,

Samuel Hollingworth
Planning Policy Team Leader
