

Existing policies that will be superseded by Core Strategy

On 5th June 2009 the Secretary of State wrote to Rochford District Council and issued direction under paragraph 1(3) of Schedule 8 to the Planning and Compulsory Purchase Act 2004, saving a number of policies in the Replacement Local Plan (2006) which would otherwise have expired. A list of the policies saved can be viewed at http://www.rochford.gov.uk/pdf/planning_schedule_of_saved_policies.pdf or at Rochford Council Offices

The Core Strategy Submission Document contains a number of policies that, if present in the Core Strategy that is ultimately adopted, will supersede a some of the saved policies within the Replacement Local Plan (2006). Such policies are listed in the table below.
