SA Addendum

Thank you for your email of 13 June consulting [REDACTED] following a review of the Sustainability Appraisal.

[REDACTED]
1976 states that [REDACTED] exists to promote the better protection of [REDACTED]. It currently delivers statutory planning advice on theatre buildings and theatre use through the Town & Country Planning (General Development Procedure) (England) Order 2010 (DMPO), Articles 16 & 17, Schedule 5, para.(w) that requires [REDACTED] to be consulted by local authorities on planning applications which include 'development involving any land on which there is a theatre.'

Due to the specific nature of the [REDACTED] remit we are concerned with the protection and promotion of [REDACTED] and therefore anticipate matters relating to cultural facilities. Having read the addendum document, and with regard to our remit, we have no useful or pertinent comment to make on this document.

As Rochford does not seem to have any cultural facilities our interest would be to encourage the Council to introduce policies for the provision and maintenance of such facilities as museums, arts facilities, libraries, cinemas, festivals, heritage and tourism, to serve existing and new populations created by new housing developments.

We look forward to being consulted on the Rayleigh and Rochford Town Centre Area Action Plans.
