

Rochford Local Plan Workshop

Friday 10th June • 10:00 – 14:00 • Rochford Parish Rooms

As part of the early engagement that the Council is undertaking to inform the preparation of the new Local Plan, Rochford District Council is holding a workshop to help explain the role of the Parish Council in plan-making and to discuss the future development of the parish

Agenda

Please note: Order and timings subject to change

10:00 – 10:30 | **Introduction to Rochford**

- A presentation highlighting the role of the parish council, a look at the key facts and figures, as well as giving initial thought to some local issues in the community

10:30 – 11:30 | **A walk around Rochford**

- A chance to look around Rochford to help understand the role of certain community stakeholders as well as identifying both local issues and opportunities for growth and improvement

11:30 – 12:30 | **Discussion and Map Session**

- An active discussion and interactive map session centred around the ideas and issues raised throughout the day and in particular the walk around Rochford

12:30 – 13:00 | **Refreshments**

13:00 – 14:00 | **Looking to the future and the role of Stakeholders**

- A chance to help set the vision for a future Rochford, looking at opportunities for growth and improvement in local business, infrastructure and housing across the parish, as well as setting out the continued role of community involvement moving forward
